Faculty Micro Resource Center

A computing think-shop run by regular faculty for regular faculty

Desktop / portable / laptop / tablet environments, especially OS X, iOS, and Unixes

—Regular ‘clinic’ hours and telephone/eMail consultations,
—open FMRC access on class days, 08-18h,
—off-hours BC ID card access to the CTE Innovation Lab and project workstations
—site visits when necessary and possible

Conveniently located on Middle Campus and in cyberspace

O’Neill Library 250H (CLE) x 2.4349
fmrc@bc.edu

We specialize in helping our colleagues with:

• statistical and research computing
• eLearning approaches
• developing web-materials
• sussing out new hardware and software
• making your technology concerns heard and represented
• just getting away from it all while on a research project,
or when your own office is a madhouse,
or when some of your equipment or connections are ‘down’

http://fmwww.bc.edu/fmrc

A complementary Academic Technology service from the Office of the Provost and Dean of Faculties
