We specialize in helping you with:

- statistical and research computing
- eLearning approaches
- developing web-materials
- sussing out new hardware and software
- making your technology concerns heard and represented
 - just getting away from it all while on a research project, when your own office is a madhouse, or when some of your equipment or connections are 'down'

**Staffed hours
Fall 2004
MW 3.30-4.45
TTh 09.00-10.15
beginning 07 Sept**
