Lectures Monday 4:00–6:30, Conference room.

Office Hours Monday 3:00–4:00 if there is a lecture on this day, or by appointment.

Readings Mostly articles. Every week you will be asked to read one or two papers, which will be discussed in class.

Problem Sets Occasional collection of questions, most of them will be reduced versions of published articles.

Your Obligations Your responsibilities are these:

1. Attend lectures.
2. Read the papers.
3. Discuss them in class.
4. (Optional): Solve the problem sets.
5. Write a term paper on a topic that will be discussed by you with me. The paper will cover the literature that is relevant to one of the topics discussed in class. It can be done in pairs.

Grades Will be based on your paper.
